

Headset Solutions

SENNHEISER

Find the right solutions

Desk Worker

You are mostly working from a desk, either in the office or at home. With a wired headset, you will enjoy hands-free calls, great wearing comfort and excellent sound.

CENTURY™ SERIES

- Designed for quality conscious users requiring the best in sound quality and design
- Single and double-sided wired headsets
- Ultra noise-cancelling microphone
- Excellent wearing comfort with large leatherette ear pads

CIRCLE™ SERIES

- For office and contact center professionals requiring sound quality, comfortable wearing and robust design
- Single and double-sided wired headsets
- Noise-cancelling microphone
- Acoustic foam ear pads with soft leatherette covers for user flexibility and all day wearing comfort

CULTURE PLUS SERIES

- Lightweight headsets for professionals using softphone/PC
- Single and double-sided wired headsets
- Noise-cancelling microphone
- Flexible headband with leatherette padding adjusts for perfect fit

CULTURE™ SERIES

- Lightweight and deployment friendly headset
- Single and double-sided wired headsets
- Noise-cancelling microphone

The headsets are optimized for professionals who spend many hours in phone calls and provide extreme robustness, great wearing comfort and excellent sound.

The headset works with all standard telecoil-equipped hearing aids and is designed for professionals with special hearing needs.

Office Worker

You work at your desk and also around the office, where you participate in meetings and collaborate with your co-workers. With a wireless solution, you can multi-task, enjoy flexibility and take calls as you move around the office.

SDW 5000 SERIES

- Wireless DECT headsets designed for quality conscious users requiring multi-device flexibility, superior sound quality and enhanced security
- Super wideband sound offers next generation communication quality
- 3-in-1 wearing styles: single-sided headband, ear hook and neckband
